

23rd October 2025

Hi All,

This newsletter is to remind you about sessions at Waikanae Bridge Club Rooms while the building work is in progress and for you to check your details in the attached list. There are also a few other bits of news.

Playing at Waikanae

The summary sheet of play is appended to this newsletter and now includes access times to the Waikanae Clubrooms.

Things to remember

- Tuesday Afternoon, Thursday Evening and Friday Afternoons are at the usual times with access to the clubrooms 30 minutes before start time. Note: there are 3 exceptions, 2 in November and 1 in December (See below)
- Because Waikanae has a Tuesday Evening session our Tuesday Evening session will transfer to Wednesday Evening with access to the clubrooms at 7.30pm due to the clubrooms being used by Guides from 5 – 7pm on Wednesday nights.
- The Directors and scorers will have early access to be able to prepare for the sessions play. The Directors will also give notice of the exceptions a week before as well.

Carpooling

If you are playing, look to arrange getting to Waikanae with your partner and may be with another pair who you know are also playing.

If you do not have transport, please contact the Convenor for that session and they will help arrange transport.

2026 Programme Book

Jane Bradbury is currently beaver away with next year's programme book. All the information in the book is critical to next year's operation and the bulk of it needs updating with the 2026 details.

This includes ensuring members phone numbers are correct.

As we are vacating our clubrooms it will not be helpful posting a printout on the notice board for members to check and correct. Consequently, a member name and telephone number list is attached to this newsletter.

Please check your details. If the spelling or telephone number is incorrect, please email Trevor Smith otsmith@nowmail.co.nz with the correct details by 31st October 2025

Monday 17th November – Annual General Meeting at Waikanae

Nominations for Officers are still light. Please consider coming on the Committee and becoming involved in the running of the club. You will be most welcome!

Nuptials

At the Tuesday Evening session (21st), Vikki Clarke, our very competent secretary and “Bride to Be” was guest of honour. Her playing friends surprised her with a celebration for her pending nuptials. Below are a few photos of the happy event.

Hallam Creswell, who has been a member of the club for over 30 years, said was it the first time he had been to a hen's party at the Bridge Club!

As noted above Vikki also came second with Francie Vagg in the Intermediate-Junior group of the Multigrade tournament. And I see she also came first North-South on the night with Rachel Bruce. Not bad for a player of only 2-3 years.

Who's next?

Kapiti News Interview

On Wednesday 22nd Trevor Smith, Alan Stevens and I met at the club with Leanne Warr, Kapiti New Editor.

I had contacted Leanne to let her know we had a story to tell. Alan and Trevor explained the journey from discovering the leaks to obtaining the funds necessary to be able to repair and reclad the building.

Having the necessary concurrent investigation work, obtaining a building consent, costing, and tendering were a vital part of the process. Not forgetting members donations and prepaid subscriptions along with partnership funding from Pub Charities, the raffle, tablecloth sponsors and gin sales helping us build the club's one third amount to apply for full funding from the Lotteries Community Facilities Fund.

So, our story may feature in an upcoming Kapiti News edition.

2026 Programme Book Launch

At our recent committee meeting it was noted while at Waikanae it will not be so easy to hold an evening to pick up one's programme book and to find partners.

Provided our building work is complete, we are looking to hold a Re-opening, Programme Book launch and Partner finding evening sometime in January 2026.

Raffle

Sales are proceeding albeit slowly. We had a successful day selling at Coastlands with 105 tickets sold. Victoria Bolton was selling all day from 9am until just after 4pm. Margaret Jamieson, Brian and Linda Pender helped out from 10am until 2pm and I put an appearance in at the start and finish. Many thanks to Coastlands for making a selling space available to us.

Another good day was held last weekend at the market with over 40 tickets sold.

If you can help out at our weekend selling venues, please let Victoria know. We will look to see if we can post selling times at Waikanae.

Sales continue until 28th November but there are still many tickets to be sold.

Committee News

1) Trevor recently attended a Bridge Teachers Conference and was pleased to learn how other clubs fared and what initiatives our club could utilise.

One of the main ones was to keep the Learner's group together for longer and continue with structured Monday night playing sessions for the remainder of the year where the learners only would participate. Some clubs have adopted this

approach and found that their learner retention increased markedly and was well above 50% of the initial intake.

Free Lessons will commence next year on 9th February 2026 and run until Easter Monday.

2) The Committee agreed to change the evening sessions start of play to 7pm rather than 7:30pm which will mean you get home 30 minutes earlier. This is what most clubs do, including Waikanae. This proposal is to be considered at the AGM.

Bob Jennings

President
